Applicant's Agent: Caltrans District 5 – Mindy Trask

Project Name: State Route 192 Toro Canyon Bridge Scour Repair

Receiving Water: Toro Canyon Creek

City/County: Toro Canyon / Santa Barbara

Public Notice: July 17, 2019 – August 7, 2019

Project Description:

The purpose of the proposed project is to repair a scour area in Toro Canyon Creek.

The proposed project activities include:

- Placing approximately 25 cubic yards of rock into the stream bank;
- Removing rocks from the center of the stream channel;
- Constructing a temporary access road for construction; and
- Working during the dry season to avoid the need for dewatering.

Proposed Mitigation:

Rehabilitating 0.011 acres of streambed and 0.023 acres of riparian zone.

Enhancing 0.013 acres of riparian zone.

Preserving 0.053 acres of streambed.

Caltrans filed a Categorical Exemption on July 12, 2018.
